

用生命披露：揭秘美军与外星人不为人知的勾当（上） Disclosure: U.S.A Army and Aliens (1)

文 / 江心 Text/Jiang Xin

菲尔·施耐德，一个非常勇敢的人，最后失去了他的生命，他被以军事判决的方式谋杀了。在1996年1月， he 被发现死在他的公寓，钢丝仍然缠在他的脖子上。据一些消息来源，他曾受到酷刑的折磨，然后被杀害。菲尔·施耐德是一名前政府工程师，涉及地下基地建设工作。

施耐德还是1979年发生在地下基地的情报人员和军队与高大的灰人战斗中的三个幸存者其中的一个，1995年5月，菲尔·施耐德就自己的发现做了一个演讲。7个月后，他受到酷刑然后被他以前的同僚杀害。而导致这个人如此结局的行为意味着什么？其原因不应被忽视。

以下是自菲尔·施耐德的最后演讲：

Phil Schneider, a very brave man, finally lost his life. He was murdered in the form of military decisions. In January 1996, he was found dead in his apartment, steel wire still around his neck. According to some sources, he had suffered from torture, and then was killed. Phil Schneider, a former government engineers, was involved in underground bases construction work.

Schneider was also one of three survivors in the fighting between underground bases intelligence staff, army and tall gray men. In May 1995, Phil Schneider made a speech on his findings. Seven months later, he was tortured and then killed by his former colleagues. Why? The reason should not be ignored.

The following is Phil Schneider's last speech:

深层地下军事基地和黑预算

Deep underground military base and black budget

“我爱我所生活这个国家，我更爱我的生活，但我不会比你活得更长久，我有生命危险，如果我不相信它是如此。这项谈话的第一部分是要关注深地下军事基地和黑色的预算。黑预算案是美国国民生产总值的25%的一份秘密预算。黑预算目前每年消耗1.25万亿美元。至少这数额是用于黑色的工程，如建造和使用那些深层地下军事基地等。目前在美国，有129个深层地下军事基地。

他们自1940年初以来不断日夜兴建这129个基地，其中一些甚至更早开始。这些基地组成地下大城市由高速磁悬浮列车相连，有的速度高达2马赫。若干书籍曾经描写过这种活动。我有Al Bielek记录的副本，和建筑学博士理查德·舒德尔谈论他冒险生活记录的副本。他曾在许多政府机构的深层地下军事基地工作。在爱达荷洲有11个。”

“这些基地平均深度超过一英里，而它们又基本上是整个的地下城市，都差不多在2.66和4.25立方英里大小之间。它们是用激光钻孔机挖掘的，一天可钻7英里长的隧道。黑色项目没有被国会的权威批准，是非法的。目前，新世界秩序依赖于这些基地设施。如果当时我知道我是在为新世界秩序工作，我是不会去做的。我是一定程度上被欺骗了。”

"I love my country, I love my life. But I will not live longer than you, my life is in danger, though you don't believe it. The first part of the conversation is to focus on deep underground military base and the black budget. Black budget is 25% of the gross national product as a secret budget. Black or secret budget now is \$1.25 trillion a year. At least this amount is used for the secret project, such as building and using deep underground military bases. Now in the United States, there are 129 deep underground military bases.

They have built 129 base since early 1940s, some of them even built much earlier. In these bases, there are high-speed maglev trains, some of which are up to Mach 2. A number of books have described this kind of activity. I have a copy of Al Bielek record and a copy of the adventure life recorded by Dr. Richard who ever worked in a variety of underground military bases in government agencies. There are 11 bases in Idaho."

"These bases are averagely more than a mile deep and they are basically as underground cities between 2.66 to 4.25 cubic miles in size. In land digging, the drilling machines are used. These machines can dig 7 miles a day in a tunnel. Black projects are without approval by the congress, so illegal. At present, the new world order depends on these facilities. If I had know that I am working for a new world order, I would not going to do. I was cheated to some extent."

军事应用科技的发展，德国的技术及更多 Military technology application

基本上，因为历年都有出现秘密外泄，直到应用科技出现麻烦为止，秘密军事应用科技已经发展了44年半。这就很容易理解为什么它早在1943年他们就能够开始建设，通过真空管应用科技的使用，一艘舰只确实无疑地可以从一个地方消失并出现在另一个地方。我的父亲奥托·奥斯卡·施奈德，涉及了双方的战争。他原本是U型舰舰长，被俘虏和遣返美国。

后来他介入了不同的工作项目，例如原子弹，氢弹和费城实验。他发明了一种高速相机，并拍摄了于1946年7月12日在比基尼岛第一颗原子弹试验的照片。我检测过那些原始照片，

显示速度率极高。甚至拍到当时布满在比基尼岛原子弹爆炸地点的飞碟高速逃离现场。在比基尼岛那里他们的牲畜也常有被肢解的问题。在当时，麦克阿瑟将军认为，未来战争将是与其他世界的外星人之间的战争。”

“无论如何，我的父亲奠定了费城实验以及其他实验的理论基础，这和我要做的有什么关系？没什么，绝非因为他是我的父亲。我不同意，因为他在其他方面没有，但我认为他在来到这里带着很大的勇气，他不喜欢呆在德国。有一个100万美元的悬赏令给任何能够杀了他的人。很明显，他们没有得逞。无论如何，回到我们的主题——深层地下军事基地。”

"Basically, because secrets were disclosed annually. Secret military technology has developed for 44.5 years. It's easy to understand why the construction began as early as 1943. Through the use of vacuum tubes, military ships can disappear from one place and then appear in another place. My father Oscar Schneider involved in the war between both sides. He was the captain of a U-shaped ship. He was captured and sent back to the United States.

Then he stepped in different projects, such as atomic bombs, hydrogen bombs and Philadelphia experiment. He invented a high speed camera, and took a photo of the first atomic bomb test on July 12, 1946 in Bikini Island. I viewed these original photos, and from these photos, we found the flying UFOs quickly leaving the field of the above test field. In Bikini Island, the cattle were also often mutilated. General Douglas MacArthur at the time, thought that the future war will be with aliens from the other world."

"In any case, my father laid the theoretical foundation of the Philadelphia experiment and other experiments. Is this related to what I do? Nothing. He is my father. I think he was here with a lot of courage and he did not like to stay at Germany. A reward of \$1 million was posted to kill him. Obviously, they failed. Anyway, back to our topic - deep underground military bases."

杜尔塞基地的战争

War of Dulce Base

“早在1954年，在艾森豪威尔政府，联邦政府决定绕过美国宪法，达成与外星人的协议。这被称为1954年Greada协议，协议基本上涉及外星人可以利用少数牛只做实验，和在少数人身上测试他们的植入技术，但由我们提供所涉及的人士的资料。慢慢地，外星人变了，开始讨价还价，直到他们决定不会遵守原来的协议，这就是早在1979年的现实。发生在杜尔塞的冲突是出于一个偶然。

我曾参与建设的地下基地杜尔塞，这可能是最深的军事基地了。它分七层，深度超过2.5英里。在那个时候，我们曾在沙漠中钻四个不同的洞，而我们将它们连接在一起，然后炸出一个巨大的区域。我的工作就是下到洞里检查岩石样本，并建议如何爆破以处理特定的岩石。我领着我的队员下到那里时，我们发现一个名副其实的外星人建造的大型洞室，就是众所周知的高大的灰人。

我开枪射击打中了其中两个灰人。当时，有30个灰人在这儿，此后还有约40个赶来这里，都被我们消灭了。所以我们占有了现成的整个外星人地下基地。后来我们发现，他们已经生活在我们这个星球很长时间了，也许有百万年。这或许解释了很多古代宇航员之类的理论。”

“总之，我被他们的武器击中胸部，那是他们身上的一个盒子，它在我身上造成了一个孔和一定剂量钴辐射，因此我患有癌症。”

“直到我开始在拉斯维加斯北部51区工作到目前为止，我没有得到真正感兴趣的飞碟技术。1979年的事件后我休养了大约两年，才回去为Morrison和Knudson, EG&G公司工作，在51区，他们在试验各种特殊的航天器。有多少人熟悉鲍勃拉扎尔的故事？熟悉吗？他是一个在51区的工作的物理学家，在试图破解其中的一些飞船的推进因素。”

"As early as in 1954, the Eisenhower administration bypassed the federal government's decision and reached the agreement with aliens. This is called Greada Agreement in 1954. This agreement is basically about the experiments using a few cows and persons. Later, aliens began to bargain. Finally, they decided not to keep the agreement, which led to the situation in 1979. Dulce conflict is due to an accident.

I was involved in the construction of the underground base in Dulce. This may be the deepest military base. It has seven layers totally more than 2.5 miles deep. At the same time, we drill four different holes in the desert which are connected together. My job is to examine the rock sample and suggest how to deal with a particular rock. I led my team to get there. We found a large underground room built by aliens, known as tall gray men.

I shot two of the Grey men. At that time, there were 30 Grey men there, then about 40 came there. They were eliminated. So we occupied the whole base of aliens. Later we found that they had been living in for a long time in our planet, maybe one million years. This can explain why ancient astronauts were recorded.

"In short, my chest was struck by their weapon which was a box in their body. I was left with a hole and a certain amount of cobalt radiated, so I was with cancer."

"I worked in north area 51 of Las Vegas. So far, I didn't get the UFO tech interesting me. After the 1979 event, I rested for about two years. Then I went back to work in Morrison and Knudson, EG&G. In area 51, various special spacecrafts were developed. How many people are familiar with the story of Bob Lazar? He's a physicist working in area 51, trying to understand the secret of the spacecraft propulsion."

施奈德对政府派别，火车车厢和合同限制的忧虑

Government, train carriage and contract

“现在，我很担心的联邦政府的活动。他们向公众撒谎，执意阻碍参议员，并拒绝告诉外星人问题的真相。我可以继续下去。我可以告诉你我感到有些不满。最近，我知道有人在我附近，在俄勒冈州波特兰市生活居住。德森，他曾在钢铁制造业做过，他们在那里做火车车厢。现在，我知道他30年的时间，这个家伙是安静类型的人。有一天他来见我，他兴奋地告诉我：“他们正在建造装囚犯的车皮。”

他很紧张。德森，他说，曾与联邦政府签合同，建造全长107,200米的火车，每节车厢有143对枷锁。这巨大的项目派给了11个分包商。据说，冈德森获得的合同超过20亿美元。伯利恒钢铁公司和其他钢铁企业分别参与。他向我展示了波特兰市北部的一个用铁栏围住的火车车厢。他是正确的。你可以算出约15,000,000这个数目。这可能就是反对联邦政府的那些囚犯的人数。

不再有任何一些人走出办公室去投票，我们目前的政府结构是“技术官僚”，而不是民主，它是一种封建主义的形式，它与美国的共和政体无关。这些人是上帝，并立法禁止在公立学校祈祷。否则被罚款100,000元及入狱两年。我相信我们可以做得更好。我也相信，联邦政府正在运作的是奴役美国人民的策略。我不是一个很好的演讲者，但我会继续，直到某人用子弹来结束我，因为它是值得去揭露的，就是关于这些暴行。”

价，直到他们决定不会遵守原来的协议，这就是早在1979年的现实。发生在杜尔塞的冲突是出于一个偶然。

"Now, I'm worried about the activities of the federal government. They lie to the public, hinder the senator, and refuse to tell the truth of the alien problem. I can go on. I can tell you I feel some frustration. Recently, I know someone near me, who lives in Portland, Oregon. Dasen had worked in the iron and steel plant to make the car carriage. I have known him for 30 years. He is quiet in nature. One day, he came to see me, and he excitedly told me," They are building wagons for prisoners."

He was very nervous. Desen said he signed a contract with the federal government to build a train with a total length of 107200 meters and 143 locks in each carriage. This huge project was attended by 11 subcontractors. It is said that Desen's contract was more than \$2 billion. Bethlehem Steel and other iron and steel enterprises also participated in it, respectively. He showed me carriages barred in the north of Portland. He was right. You can work out the number about 15000000. This may be the number of prisoners against the federal government.

There is no longer any some people to vote. Our present government is filled with "technocrats", instead of democracy-oriented people. It is a form of feudalism and it has nothing to do with the American republic system. They ban prayers in public schools; otherwise, prayers are prisoned for 2 years or fined for 100000 dollars. I believe we can do better. I also believe that the federal government is adopting a strategy to enslave the people of the United States. I am not a very good speaker, but I will continue, until someone ends my life with a bullet. These atrocities should be exposed."

Aliens decided not to keep the original agreement, which led to the situation in 1979. Dulce conflict was due to an accident.

美国的黑色项目承建商

Black project contractors in the United States

“还有其他问题。我有一些1993年的有趣的数字。目前有29架隐形飞行器的原型。这预算来自美国国会5年的这些计划的245600000美元，这一数额你是不能用来买这些秘密项目的备件的。所以，我们一直在撒谎。每两年一次的黑预算约1.3万亿美元。1万亿是1000个10亿美元。1万亿美元重11吨。美国国会从来没有看到这个秘密的黄金罐所涉及的记录。

承包商的sleath程序：EG&G公司，Westinghouse公司，麦道公司，Morrison-Knudson公司，承担的任务包括安全系统，波音航空航天公司，Lorimar航空航天公司，在法国，Mitsubishi工业，骑士卡车，Bechtel公司，IG Farben航天技术公司，还有数以百计的更多。这是我们所期望的生活？而且作为热爱自由的人民的生活？我不认为如此。”

"There are other questions. I have some interesting data in 1993. At present, there are 29 stealth aircraft prototypes. This budget is \$245600000 over five years. This amount is not enough to buy spare parts of these secret projects. So, they have been lying. The black budget once every two years is about \$1.3 trillion. The U.S. congress has never seen the relevant record.

Contractors include EG&G company, Westinghouse, McDonnell Douglas, Morrison - Knudson (whose tasks include security systems), Boeing, Lorimar, Mitsubishi Industry, Knight Trucks, Bechtel, IG Farben, and so forth. Is it a life we expect? And as a person loving freedom, I don't think so."

我们会成为照亮地球的光

We Will Be the Light Upon the Earth

这个世界上有四大类型的人。这四类人是什么样的呢？大家对照一下：

第一类是死人。他的本质是神，但是他完全迷失了，不知道自己的本质是神，我就叫他做死人。如果没有神的生命，我们都不能生活在这里，甚至一朵花也不能绽放。所有的本源世界是作为神而存在，作为生命而存在。也可以说，虽然是被神所支配的有生命的人，但是却否定神的人，这样的人就是死人。

为什么呢？我们肉体这只船，通过父母精子和卵子结合，再通过细胞分裂、十月怀胎，肉体这只船就形成了。如果这只船没有作为神、作为生命的东西注入，生命没有附到肉身，谁又能钻出妈妈的肚子出生而活过来呢？当胚胎已经成型，把生命注入胚胎中才能来到人间。所以，这种被神赋予了生命，而又否定神的人就叫做死人。

我向左看、向右看，所有人都是活在自己的肉体中，把肉体当做我的人就叫做死人。或者说，把后背对着神的人叫做死人。

第二类是病人。是指只在痛苦悲伤病痛的时候才会求助神的人！大家知道，如果没有生命，花儿怎么能开放，如果没有生命，一个小蚂蚁也不会存在，如果没有生命，60亿人谁也不会站在这里。

第三类是迷茫的人。所有的生命就是唯一的神。我们不是作为肉体而存在的，不是肉体在活，而是透过肉体神在那里、生命在那里。他们知道这些话，而且也会说，而且也开始准备走向成人式，说我成神。接下来却离开会场出去

文 / 江州 Text/Jiang Zhou

There are four types of people in the world. These are as follows:

The first is the dead. In nature, he is the god. He completely is lost, so he does not know so. In this point, I will call him the dead. If the life has no god, then we can't live in here, or even a flower cannot blossom. The world exists as the god and as the life. In other words, If a person who is dominated by the god does not admit the god, then he will be the dead.

Why? Our body is a ship. This body forms from the combination of the sperm and the egg from parents, cell division and pregnancy. If this ship has the god, then the body will have a life. The life after being injected into the embryo comes to the earth. So, this is the god who gives a life; with the life, the person is called the dead.

All people are living in their own body. If the body without a life, then this person is called the dead. In other words, if a person is away from the god, then he is called the dead.

The second type is the patient. He is a person who turns to the god when feeling sorrowful or painful. We know that, if there is a life, then there will be no flower or no ant. If there is a life, then 6 billion people would not be standing here.

The third type is a confused person. All life is the only god. We don't exist as a body. We live, for there is a god in our body. They know these words. They may say we have the adult ceremony and say they become a god. Then, they may leave out of the meeting venue. They are completely in their own body consciousness and think that they are a body and are still themselves. A person coming to the ego is called a confused person. It not true that a person who is healthy in the body is a healthy person.

The fourth type is a healthy person. A healthy person turns his eyes to the god and participates in the adult ceremony. A person having the

了，完全在自己的肉体意识中，认为我还是一个肉体，我还是自己。回到小我中的人，我叫做迷茫的人。不是说肉体生病了叫做病人，也不是说身体健康就是健康的人。

第四类是健康的人。健康的人把他的眼光转向神，并且参加成人式，以神存在的人就叫做健康的人。我说，无论怎么工作我都不会感到疲惫，我从母亲的怀抱里出生到现在没有生过一次病。你会说，你太健康了。但是，健康的我如果平凡地过一生，如果不知道作为神，作为真我而活着，也是一个病人，或者说叫做死人。也许你有什么病痛，或许生下来就是残疾人，但是如果完全品尝到作为神的状态，与神融合，那你就是健康的人。

有一次，我躺在床上想要睡觉，这时候我内在有一个声音。他说，盲人，请你睁开眼睛；愚蠢的人，请你睁开眼睛；站起来吧，勇者，睁开你的眼睛，醒过来吧。我当时不知道这是什么意思。我认为拄着拐杖过马路的人才是盲人。我对神反抗说，我明明有眼睛，可以看所有的一切。但是，如果只是看到果相世界的“果”的人，怎么叫做长眼睛呢？如果真的长眼睛的话，应该是第三眼打开。在这个果相的背后，完全看到背后“因”的人，才能算作睁开眼睛。如果你们看到的只是作为男性的一个人站在面前，那么你们就是盲人。如果你看到的不是这个肉体，而是一个神在这里说话，那你是睁开了眼睛。所以真正睁开了眼睛的人，是完全能体味到这个果相世界背后的“因”的人。

我在美国、欧洲讲课，一些主办方经常问我，第二天你准备讲什么内容？我说，我无论去哪里，根本没有提前准备要讲什么。他们反问，所有课程都有一个题目，然后有一个安排，要提前确定好。我说，我的题目不是提前用大脑想好的。我是如何定题目的呢？当我站在会场上，感知所有人所散发的频率，我才决定要讲什么。比如说今天的意识中，很多人想知道大海，关于海的事情。如果我不读大家的意识，根据头脑决定明天讲一个大山的话题，你们肯定会觉得没什么意思就睡着了，或者会觉得很烦就离开会场。讲课要去体会去读懂大家的意识，然后结合大家的意识去决定讲的话题，那是小我无法做到的。我完全体会到我是全体、全体是我。当完全进入这种合一的意识时，谁都可以这样做。

当我们真正地迎接成人式时，那是非常美丽的一天。我是神，神是我，我和神是一体的。当你站在这样一个境地时，就迎来了成人式。所以无力无知的人，没有成人式。迎来真正成人式的人，会有无限的爱从内在散发出来，有无限的智慧从内在涌现出来，充满着无限的力量，而且被这些充满着，会无限地发出光，然后发挥出来，发送给全世界。希望每个人都带着光、带着爱，发散出去。

我们会成为照亮黑暗的光，我们会成为照亮地球的光！

god in his heart is known as a healthy person. I say, no matter how I work, I won't feel tired. I have no disease since my birth. You may say, "you're always healthy." If I who am healthy do not there is the god, then I would be a patient or called as the dead. If you feel painful or are born disabled but you have the god in your heart, then you will still be healthy.

On one occasion, I wanted to sleep in bed. At this time I heard a voice within. The voice said, "You who are the blind open your eyes; you who are the foolish man open your eyes. Stand up, be brave, open your eyes and wake up." I didn't know what that means. I thought that the man with a cane crossing the road is the blind. I said that I had eyes and could see everything. If we really have an eye, then it will be the third eye. The third eye, different from the conventional eyes, can see a different world, i.e. The world of the god. In other words, the third eye which is pure and clear, can let us see a hundred worlds.

I lectured in the United States and Europe. Some of the organizers often asked me, "What are you going to talk about the next day?" I said, "No matter where I go, I have no plan ahead what to speak." They said, "All courses have a topic. You can have a arrangement." I said, "I do not plan any topic. The content depends on the audience and the meeting venue and etc. If the audience wants to hear the thing about the sea, then I shall take this topic." If the topic is not interesting to the audiences, then they will feel boring and leave out of the meeting venue. In other words, the topic will be determined in the meeting venue according to the audience's mood and demand.

When we really enter the adulthood, it is a very beautiful day. I am god, and god is me. God and me are one. When you stand in such a situation, then you will usher in the adulthood. Thus, the person who is weak will not enter the adulthood, so will not the ignorant person. The love, wisdom and strength always exude from the person who enters the adulthood in a unlimited manner. We hope everyone with a light, with love and etc.

We will be the light in the darkness and lighten the earth!

2014全球电动车电池性能指标前十名企业排行榜

電池生產國	電池性能指標					
	電池生產商	代表產品	質量能量比	體積能量比	技術來源	單體最
中國	溫斯頓能源集團	TS-LTHP1000AHA	250WH/kg	220WH/L	自主研發國際專利	200
	溫斯頓能源集團	TS-LTHP1800AHA	280WH/kg	200WH/L	自主研發國際專利	200
